## **PRESS RELEASE** **May 18<sup>th</sup> , 2012**

Detective Brian Butler reported that between May 3<sup>rd</sup>, 2012 and May 15<sup>th</sup>, 2012 the Lake County Sheriff's Office responded to several daytime burglaries in the Ridge Glenn Condominium Development in Concord Township.

During the investigation residents reported that jewelry and electronic items were taken from their homes. The Sheriff's Office Road Patrol and Detective Bureau worked diligently at the crime scenes to comb through evidence and develop suspects.

On May 17<sup>th</sup> based on a warrant developed from the investigation Daniel Bosna was arrested. Bosna subsequently provided a full admission to his involvement in the series of burglaries, and some of the property was able to be recovered.

One victim was not even aware that he had been burglarized. In combing through evidence Detective Butler found two Cleveland Indians tickets. After going through the Indians front office he was able to track down the ticket holder and return the tickets to him. The man checked his dresser drawer and found the tickets missing, and explained he was unaware that they were even gone.

Additional suspects are currently under investigation and charges are pending at this time.
